Patons & Baldwins ‘Helps to Knitters’ leaflets, part 1.

Ladies’ jumpers and similar patterns, numbered 600 - 699, issued about 1934-5.

(Missing numbers are either not in the archive, or are other patterns, e.g. men’s and children’s wear, dressing jackets, etc.)

Images are taken from the scans of leaflets in the Patons archive. Some of the leaflets, and especially the covers, are not in the best condition, but the instructions are readable.

Guild members can have a copy of any leaflet, for personal use. Email me at collections@kcguild.org.uk with the numbers of any that you want.
